

PET POLICY & AGREEMENT

UPDATED SEPTEMBER 1, 2021

At Sky Rock we understand that your pet is an extension of your family. In order to keep our furry friends safe while maintaining an atmosphere that is enjoyable for all guests, we ask dog and cat owners to agree to the following Pet Policy.

-  1. I agree to pay \$30 per pet, per day (dog or cat only), with a maximum two pets per guest room. This fee is not assessed for service dogs.
-  2. I agree to keep a valid credit card on file with Guest Services.
-  3. I agree to make my guest room available for any housekeeping or maintenance issues, and to remove my pet to allow for service to take place.
-  4. I understand that my well-behaved pet may be left in my guest room unattended for a short period of time. Any noise complaints received regarding my pet will be addressed immediately. After 2 subsequent complaints, I will make alternative arrangements for my pet off-property, and I agree to be charged a \$250 noise complaint fee.
-  5. Outside of my room, I understand my pet must be on leash, and within 6 feet of me at all times.
-  6. My pet(s) is not permitted in the lounge, fitness room or by the pool.
-  7. I am responsible to clean up after my dog and dispose of waste in bags provided.
8. If I have cat litter in my room, I will use trash bags to dispose of it, and I **will not** put cat litter in the toilet.
9. If my pet has an “accident” in the room, an additional \$250 deep cleaning fee will be charged to my folio.
10. I will only put food and water dishes in the tiled bathroom area, and not on the carpet.
11. I will be responsible for any damages caused by my pet in the guest room, or anywhere at the hotel, and I agree to be charged accordingly.
12. I can be reached on my cell phone at all times.
